

As a Spanish major it might be difficult to study abroad and still take the courses required for your major. However, there are several host institutions that allow you to fulfill course requirements and experience the cultural diversity of studying in Britain, Ireland, or South Africa. If you are studying language, you will be able to learn familiar topics from a different perspective through both traditional language courses and courses unique to your host country's experience. The following is a sample of courses available. Contact Interstudy for a complete listing and more information at 800.663.1999.
